Featuring Unknown Remedies that HEAL.

'Finally,  
there's Hope!'  
-- A reader

When Antibiotics FAIL, it's time to give this Formula a try.

New & Improved.  
With special plant nutrient Calcium Glucarate, which is a cellular detoxifier.

A natural, anti-bacterial supplement.  
(Formerly called *Infection Aid*.)

Dear Friend,

In 30 years of research, I have never seen any natural formula this effective. It seems to heal people of conditions -- it isn't even designed to help.

One woman was highly skeptical, so she tried it first on her dog. When the dog was healed of a fungus infection, she then tried it on herself -- and it healed her sinus infection.

### 'Antibiotics often cause more harm than good.'

Antibiotics have saved thousands of lives. But there is a downside. Antibiotics are often toxic, overprescribed and can cause side effects worse than the original problem. Antibiotics can lead to the creation of resistant strains of bacteria -- which are almost impossible to treat.

### Urinary Tract Infection greatly helped.

'I had a urinary tract infection. I tried *Formula #717*. After a few days, it was 98% gone.'

### Ovary saved. Operation cancelled.

The doctors wanted to remove a woman's ovary because of a cyst. Penicillin didn't help. She tried the *Formula #717*. She is now healed.

**Yeast Infection 95% Healed.** 'After four weeks, 95% of the symptoms vanished.'

**Lyme Disease helped.** An Amish woman had Lyme disease. After using the formula, it just cleared up.

**Mouth Ulcer.** 'Had mouth ulcers all summer. Took the formula. Now they are gone.'

Note: Before you take any natural remedy, always check with your medical doctor. When they work, antibiotics have saved many lives.

Note. If you have a health problem, a flu or any type of infection, always check with your doctor. Don't rely on unproven, natural remedies.

- True Stories -

(Reader stories are not scientific evidence. What works for one person, may not work for the next.)

Was this old-time doctor right?

Bacteria

Fungus

Virus

'For every ailment that Man suffers from, there is an answer somewhere on earth that will help it.'

**Arthritic Dog plays like Puppy.**

An 8-year-old dog lost 20 lbs. He could barely walk. His joints were swollen and inflamed.

He had to be helped on the couch. The vet said it was probably rheumatoid arthritis. The medication made the dog lethargic.

After taking the #717 formula (2 a day for 10 days), the dog came back to life. It regained the lost weight and now plays like a puppy.

**Two Theories why this Formula works.**

*Is it Science or the Mind?*

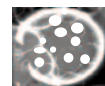

**Biochemical Theory.** (One doctor's opinion.)  
How Formula #717 *could* help to destroy bacteria and other foreign cells in the body.

**STEP #1.** Nutrients help to dissolve the outer, protective coating on the bacterial wall.

Antibiotics do NOT break down this outer membrane on bacteria.

**STEP #2.** Nutrients block the bacteria's ability to use IRON -- their main source of energy. So the bacteria STARVE to DEATH.

**STEP #3.** The bacteria DIES -- from lack of energy. It can no longer reproduce; it's DNA is destroyed.

**Spiritual Theory. Belief is the key.**

A biochemist in Iraq said this. 'Belief is the key, whether it is a medicine or a natural remedy. The patient *has to believe*. If the patient believes a formula heals infections, *it will*. If he doesn't believe, it won't work. *Belief is everything!*'

**Cold Symptoms Gone.**

'A 65-year-old medical doctor claims he had the start of a cold three times within the past three months. He says every time he started the *formula*, the cold cleared up overnight.'

**Warts on back - 90% gone.**

A man had many warts on his back. After two weeks, most of them turned black and fell off.

**Breast Cyst Smaller.**

'It seemed that my breast cyst started to go down.'

**Sinus Infection Healed.**

'A 39-year-old man had allergies. He was taking Claritin. It didn't work. He tried #717 formula. Within one week, his allergies cleared up.'

'This formula could eliminate a lot of suffering in the world.'  
Loren Biser, Editor

'I consider this a Wonder Product.'

'I have never seen so many people swear by a product.'

Some claim this kills viruses.

'Finally, I got relief from my migraines.'
