'Faster results than you ever see with antibiotics.'

Dear Friend,

In 30 years of research, I have never seen any natural formula this effective. It seems to heal people of conditions -- it isn't even designed to help.

One woman was highly skeptical, so she tried it first on her dog. When the dog was healed of a fungus infection, she then tried it on herself -- and it healed her sinus infection.

'Antibiotics often cause more harm than good.'

Antibiotics have saved many lives. But there is a downside. Antibiotics are often toxic, overprescribed and can cause side effects *worse* than the original problem. Antibiotics can lead to resistant strains of bacteria - which are almost impossible to treat.

Urinary Infection helped.

'I had a urinary tract infection. I tried *Formula #717*. After a few days, it was 98% gone.'

No Flu in 3 Years. In one study, people who took the formula for three years, never got sick. These were people who *always* got the flu.

Ovary saved.

Operation cancelled.

The doctors wanted to remove a woman's ovary because of a cyst. Penicillin didn't help. She tried the *formula*. She is now healed.

N.I.H. Study. This agency is now testing a key ingredient in #717 to fight against the HIV virus. Clinical trials: success.

Yeast Infection 95% Healed. 'After four weeks, 95% of the symptoms vanished.'

Lyme Disease helped. An Amish woman had Lyme disease. After using the formula, it just cleared up.

Lyme Disease. Two other cases helped. Three weeks major relief.

Note: Before you take any natural remedy, always check with your medical doctor. When they work, antibiotics have saved many lives.

Formula in it's food. It was the only cat who lived.

Child's Platlet Count now Normal.

A 13-year-old boy had a low blood platlet count of 4,000. (Called ITP.) He had this emergency situation for six years. Medicine and nutrition barely helped. He took the *Infection Formula* - 4 a day for two weeks. His platlet count went to 140,000 which is normal. He doesn't bruise any more.

'This helped my sinus infection more than anything I tried.'

Tooth Infection gone

A farmer in Ohio had 13 teeth removed. He soon developed an infection. He took two pills on a Friday and one the next morning. He claims the infection and pain soon vanished. (Received many tooth infection stories.)

'This is a Gift from God.'

'I never had anything like this. My muscle weakness was getting worse from bad bacteria. I used one bottle. I feel stronger - my joints are more flexible. My brain is clearer. Even the plaque on my teeth came off. Now *that's* amazing. I don't want to be without it.' - Akron, Indiana

Large Cyst in Breast almost gone.

'My mother-in-law had a large cyst near her breast. It was red and infected. I gave her a bottle of the *formula*. On the second day of treatment, the cyst started to drain. Seven days later, the cyst was about the size of a pea and was pale in color.'

Rosacea Case Healed.

A doctor reported that a patient had rosacea for ten years. Tetracycline barely helped. The patient started on the *formula*. After only four days, her skin dried up. Within three weeks, she had healthy, rash-free skin.

60% less risk from Cancer.

One key ingredient is a plant nutrient found in fruits and vegetables. This can lower the risk of getting colon, lung and breast cancer by 60%.

If this were the only thing this formula did, it would be worth it.

Note. If you have a health problem, a flu or any type of infection, always check with your doctor. Don't rely on unproven, natural remedies. There are no magic pills that work all the time for all people.

Was this old-time doctor right?

Bacteria Fungus Virus

'There is nothing sent on earth to destroy man.'
James Tyler Kent, M.D.

'For every ailment that Man suffers from, there is an answer somewhere on earth that will help it.'

Are you ready for the next SUPERBUG?

The Swine Flu, (H1N1), MRSA, Killer Fungi.

What's next? A bioterrorist attack? No one knows.

There are no cure-all answers. Will this formula help you? No one knows. But it seems far better than doing nothing.

Pain better.

'I had bad pain from a slipped disk. After 3 weeks, the pain is far less.'

Arthritic Dog plays like Puppy.

An 8-year-old dog lost 20 lbs. He could barely walk. His joints were swollen and inflamed.

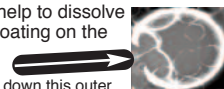

After taking the *formula* (2 a day for 10 days), the dog came back to life. It regained the lost weight and now plays like a puppy.

2 Inch Growth Gone. A man had a 2 inch, hard, growth beneath his beard. He took nine pills a day for two weeks. All gone.

Two Theories why this Formula works.
Is it Science or the Mind?

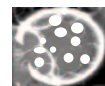

Biochemical Theory. (One doctor's opinion.)
How Formula #717 *could* help to destroy bacteria and other foreign cells in the body.

STEP #1. Nutrients help to dissolve the outer, protective coating on the bacterial wall.

Antibiotics do NOT break down this outer membrane on bacteria.

STEP #2. Nutrients block the bacteria's ability to use IRON -- their main source of energy. So the bacteria STARVE to DEATH.

STEP #3. The bacteria DIES -- from lack of energy. It can no longer reproduce; it's DNA is destroyed.

Spiritual Theory. Belief is the key.

A biochemist in Iraq said this. 'Belief is the key, whether it is a medicine or a natural remedy. The patient *has to believe*. If the patient believes a formula heals infections, *it will*. If he doesn't believe, it won't work. *Belief is everything!*'

Cold Symptoms Gone.

'A 65-year-old medical doctor claims he had the start of a cold three times within the past three months. He says every time he started the *formula*, the cold cleared up overnight.'

Breast Cyst Smaller.

'My cyst started to go down.'

No Flu. 'I went on a trip with a friend who had a very bad flu and cold. I took the pills before. I never got the flu.'
- Sara Foley

Warts on back - 90% gone.

A man had many warts on his back. After two weeks, most of them turned black and fell off.

Allergies helped.

'A 39-year-old man had allergies. He was taking Claritin. It didn't work. He tried the *formula*. Within one week, his allergies cleared up.'

'This formula could eliminate a lot of suffering in the world.'
Loren Biser, Editor

'I consider this a Wonder Product.'

'I have never seen so many people swear by a product.'

Some claim this kills viruses.
'Finally, I got relief from my migraines.'

Key Ingredients. Zinc, Monolaurin, IPC - inositol hexaphosphate, Beta 1,3 Glucan, MSM, garlic, neem leaf extract, calcium gluconate & more.
